

SUBJECT INDEX

A

- Abortion**
 - and the right-to-life movement, 113-14
 - public attitudes toward, 113-14
 - social movement tactics on, 119
- Abortion rights movement, 118**
- Academic achievement**
 - interventions to promote, 232
- Acculturation**
 - of American Jewry
 - and consequences of exogamy, 142
 - and inter-ethnic tensions, 141
 - and intermarriage, 141-42
 - and Jewish identification, 142-43
 - versus ethnic consciousness, 141
- Adolescence**
 - self concept in, 25
- Age**
 - and political participation, 304
- Age discrimination, 269-71, 274, 284-185**
 - exchange theory of, 280
- Age stratification theory**
 - of retirement, 279-280
- Alcoholism**
 - in Soviet Union, 345
- Alienation**
 - in Marxist theory of social control, 48-49
- Altercasting, 11, 18**
- American Association of Retired Persons, 280-81**
- American Jewry**
 - acculturation of, 138, 141-43
 - and interethnic tensions, 141
 - and money philanthropy, 151
 - poverty, 150-51
 - anti-Semitism toward, 138
 - community studies of, 143-44
 - denominational studies, 144-46
 - intermarriage among, 141-142
 - consequences of, 142
 - organizational studies of, 144
 - social histories of, 143-44
 - see also Sociology of American Jewry

- American Revolution, 189, 191**
- Anglos**
 - in task groups
 - See Whites
- Anomie**
 - and deviance, 170-71
- Anti-busing movement, 107, 115-17, 119**
 - as countermovement, 120
 - bigotry versus backlash in, 117
 - community organizations in, 115-16, 128
 - self-interest in, 116
 - support for correlates of, 117, 127
- Anti-communism**
 - Christian, 122
- Anti-Semitism**
 - after Nazi Germany, 146
 - and anti-Zionism, 148
 - black, 146
- Army**
 - role in revolution, 195
- Assimilation**
 - of American Jewry and interethnic tensions, 141
 - and intermarriage, 141-42
 - trends in, 142-43
 - versus ethnic consciousness, 141
- Attitudes**
 - pro-Israeli, 147-48
 - sex-role, 245-46
 - toward sex in American Jewry, 152
- Attribution**
 - locus of control in, 19
 - self-concept in, 1, 3-4, 8
 - self-serving bias in, 21
- Authority**
 - in organizations and influence in task groups, 226
- Automatic Interaction Detector (AID), 68, 75**

B

- Baby boom**
 - and retirement trends, 282-83
- Backlash**
 - in anti-busing movement, 117, 127, 129
- Bentham, Jeremy, 169**

Bias

- in processing decisions, 165-66
- Bigotry**
 - in anti-busing movement, 117, 128, 129
- Biological factors**
 - in division of labor household, 238
- Blacks**
 - changing competence expectations of with Expectations Training, 216-18
 - with Multi-Ability Training, 222-24
 - with referent actor interventions, 224, 225
 - with teacher interventions, 227
 - influence of in task groups, 211, 212
 - interaction of in task groups, 210-11, 212
- Bootstrapping**
 - in social forecasting, 61, 76

C

- Capitalism, 58, 100-101**
 - and imperialism, 88
 - and revolutions, 201-202
 - as world economy, 84-85
 - international and citizen participation, 302
 - see also World-system theory
- Case studies**
 - Marxist
 - of deviance, 172
 - Castro, Fidel, 203, 325, 333, 329-30, 334-35, 340, 341
- Causal models**
 - in social forecasting, 64-66
- Center for Interracial Cooperation, 218, 221, 231, 233**
- Chicago Area Project, 39-40**
- Children**
 - and division of labor household, 240
- China**
 - coercion in, 330, 331, 342
 - inequality in, 340
 - Marxism in inculcation of, 326

- transformation of human nature in, 340, 341
- Citizen participation and international capitalism theories of, 302 in conventional politics, 289-317
- Civil rights movement, 118, 120
- Class and political participation, 304-6
- Class conflict and revolutions, 298-299 and the state, 297-98 in world-system theory, 85-86 model of power, 293
- Cluster analysis using Automatic Interaction Detector, 68
- Coalitions intraparty, 311 see also Political participation
- Coercion in Marxist societies, 327-33, 342
- Cognitive dissonance theory self-esteem in, 20
- Cohort component method, 69
- Collective conscience and social control, 36
- Commitment to identity, 14 measurement of, 26
- Communist ideology in revolutions, 203 see also Marxist societies
- Communist parties in Marxist societies, 333-36 and leaders of, 333-335
- Community and social control, 38-39
- Community organizations in anti-busing movement, 115-16
- Community power research, 294-95
- Community size and political participation, 307-8
- Community studies of American Jewry, 143-44
- Comparative advantage economic doctrine of, 87, 89, 91
- Competence expectations and learning, 232 and multiple status characteristics, 214 interventions to modify, 215-30
- long-term changes in in classroom settings, 213 status differences and, 209
- Componential analysis, 67-68
- Configurational analysis, 67-68
- Conflict between states and elites in revolutions, 194-97, 202
- Conflict perspective in political sociology, 290-92
- Conflict theory of deviance, 171-75 falsifiability of, 174 of mass society, 44-45 of social control, 43-45 as dependent variables, 45, 47-49
- Conformity to norms and social control, 43-49
- Conjuncture in revolutions, 204-5
- Conservatism political-economic, 112-13, 127 social, 112-13, 127, 128 theological, 121-22 and political, 122 trend toward, 312
- Conservative movements, 107-34
- Conservative Protestantism, see Protestantism
- Conservative in revolutions, 190-92
- Consistency motive, 23-24
- Constituencies of conservative movements, 112-17, 120, 121, 126, 127
- Contestation, 310
- Conventional political participation see Political participation
- Core, 85, 86, 88, 90, 92, 94, 96, 98, 100-101
- Countermovements, 107-34 and political economy, 120-21 and the state, 120-21 right-wing, 107, 118-19
- Crime and social structural variables, 175 female, 167 in Cuba, 345 in Marxist societies, 344-45 lay definitions of, 174-75 organizational, 177 processing decisions in, 165-66, 179 white-collar, 170, 177
- Crisis and revolutions, 190
- Cross-impact analysis, 60
- Cuba coercion in, 329-30, 331, 342 crime in, 345 distribution of power in, 335-36 education in, 326 importance of, 320 inequality in, 339 outmigration from, 347 work in, 342, 345-46
- Cult of personality in Marxist societies, 324, 334
- Cultural anthropology world-system theory in, 95
- Cultural Revolution in China, 191, 323, 340, 346
- Culture in economic development, 101-2
- Cyclical approaches in social forecasting, 63-64
- D
- Dealignment in US politics, 311
- Decision rules in social forecasting, 76
- Delinquency differential association theory of, 41 prevention of, 39-40
- Delphi technique in social forecasting, 60-61
- Democracy and inequality, 309-10 and political stability, 308-9
- Demographic analysis of American Jewry, 140
- Demographic forecasting cohort component method of, 68, 69 evaluation of, 70-72 historical development, 68-70 logistic S-curve, 68, 69 segmentation in, 68, 69 stable population theory in, 69
- Dependency theory, 90-93, 99, 102, 300-302
- Deprivation and revolution, 192-93
- Desegregated schools status differences in, 225
- Deterrence of deviance, 175-77 and microeconomic theory, 176 and psychological theory, 176

- Deviance**
 and gender, 167-68, 175
 and groups, 177-78
 and processing decisions, 165-66
 and social control, 45-48, 180
 and social solidarity, 169-71
